

## Crime Prevention Tips for Businesses

Ensure locks, alarms, and CCTV are operational.

Track inventory and update insurance coverage.

Leave lights on inside and out.

Post emergency contact keyholder information inside the store.

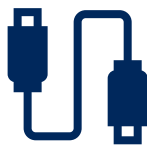

Remove high-value items from window view.

When checking your business, do so during the day.

Back up all business documentation.

Tell your business neighbours your plan.

Display empty cashdrawer in window view.

Report suspicious activity by calling non-emergency line 416-808-2222.
